Bulletin #36 – April 16, 2009

**Transportation Security Administration (TSA):
Security Requirements from Canada to the United States
for Freight Forwarders**

As a reminder, The Transportation Security Administration (TSA), through the *Foreign Carrier Model Security Program* regulations requires specific security requirements for all cargo destined to *passenger aircraft departing from Canada to the United States for Freight Forwarders*.

All Freight Forwarders shall be required to submit their **Cargo Security Declaration Form** in addition to **each** Airway Bill attesting that it has taken all security measures to ensure the integrity of the freight. Please note this is solely applicable for freight destined to the United States from Canada.

Please find below an example of Cargo Security Declaration Form:
