Shipper:		Destination:

NOTE: RECALLED, DAMAGED OR DEFECTIVE CELLS AND BATTERY PACKS ARE FORBIDDEN FOR TRANSPORT BY AIR.

Air Canada does not accept shipments containing only cells or battery packs. One or two devices (e.g. cell phones or laptops) with batteries contained in equipment that have less than the watt hour or grams permitted do not require this document or the lithium battery handling label and may be tendered as non-dangerous goods. (See IATA Packing Instruction 967 or 970.)

1 This shipment contains lithium **CELLS or BATTERY PACKS** in the following configuration (check all applicable boxes):

<p>PI966 Lithium ION Batteries Packed with Equipment UN 3481 Section II</p> <p>Cells or battery packs contained in a package may or may not be installed in the equipment. The maximum number of cells or battery packs allowed in each package is the minimum number to power the device, plus two spare sets. Select applicable:</p> <p>Cells: Not more than 20 Watt hours (Wh) per cell Battery Packs: Not more than 100 Watt hours (Wh) per pack</p>	<p>PI967 Lithium ION Batteries Contained in Equipment UN 3481 Section II</p> <p>Only cells or battery packs installed in equipment that are required to power the device are permitted. Select applicable:</p> <p>Cells: Not more than 20 Watt hours (Wh) per cell Battery Packs: Not more than 100 Watt hours (Wh) per pack</p>
<p>PI969 Lithium METAL Batteries Packed with Equipment UN 3091 Section II</p> <p>Cells or batteries contained in a package may or may not be installed in the equipment. The maximum number of cells or battery packs in each package is the minimum number required to power the device, plus two spare sets. Select applicable:</p> <p>Cells: Each cell does not contain more than 1 g of lithium metal Battery Packs: Each pack does not contain more than 2 g of lithium metal</p>	<p>PI970 Lithium METAL Batteries Contained in Equipment UN 3091 Section II</p> <p>Only cells or battery packs installed in equipment that are required to power the device are permitted. Select applicable:</p> <p>Cells: Not more than 1 g of lithium metal per cell Battery Packs: Not more than 2 g of lithium metal per pack</p>

2 **ON THE AIR WAYBILL**, indicate the following in the *Nature and Quantity of Goods* box:
A) The Air Waybill statement B) The number of packages marked with the lithium battery mark/label.

3 **I UNDERSTAND THAT EACH INDIVIDUAL PACKAGE (whether or not it's contained within an overpack):**

- **MUST NOT** contain more than 5 kg of lithium cells or battery packs.
- **MUST** be properly identified with a lithium battery mark/label that includes:
 - The appropriate UN number
 - A telephone number where information about the contents may be obtained

UN _____

For more information, call: _____

I declare that the contents of this shipment have been properly prepared, and are packaged, marked, and labeled correctly, and are in all respects in proper condition for air transport. All regulatory requirements have been met.
