

Air Canada Cargo Pet Stop Kenneling Service at Toronto Pearson International Airport.

Conveniently located next to the Air Canada Cargo station, the newly renovated, bonded facility is ideal for pets in transit that need an overnight kennel stay or comfort stop.

The **Pet Stop** boasts 8 roomy enclosures for dogs, a separate room for cats and all necessary amenities for pet care. The bright, open space is ventilated and temperature-regulated. The building is surrounded by a fence. Animals enjoy regular walks in a grassy area.

The **Pet Stop** is staffed by dedicated Air Canada Cargo employees that are fully trained in animal care and first aid.

OAL Service

Airlines operating out of Toronto Pearson International Airport can book pets for overnight or comfort stops at the **Air Canada Cargo Pet Stop**.

Kenneling service for airlines includes:

- Boarding
- Food and care for the animal
- Travel from and to the aircraft in dedicated Live trucks
- Canadian Food Inspection Agency (CFIA) clearance and paperwork

For OAL rates and bookings, please email AClive@aircanada.ca.
