2,751 +	Air Canada and/or Select Partners	Starting at 17,500 pts	Median: 22,900 pts	Starting at 30,000 pts	Median: 41,600 pts	Starting at 35,000 pts	Median: 57,300 pts
	All other partners	22,500 pts				35,000 pts	

Air Canada includes Air Canada Rouge, Air Canada Express and connections with The Landline Company.

Select Partners include United Airlines, Emirates, Flydubai, Etihad Airways, Canadian North, Calm Air, Bearskin Airlines and Provincial Airlines Ltd (PAL).

Points displayed, including median points, are estimates for one-way travel and are for informational purposes only.

Median amounts are based on member redemptions with Air Canada and select partners from January 2025 through December 2026.

Median amounts are only displayed where available for flights either originating or ending in the North America zone.

'Starting at' amounts are not guaranteed with all carriers, nor do all carriers operate in all geographical zones for each cabin class.

A partner booking fee will apply to flight rewards which include travel with a partner airline.

Points required for flight rewards are based on the actual distance flown between origin and destination.

Taxes and third-party charges may apply.

The number of Aeroplan points required for a destination varies depending on the travel itinerary and travel during high-demand periods. Seats are subject to availability.
