

2019 ECONOMY CLASS ESCAPES PROGRAM

The ECONOMY CLASS ESCAPES program provides IATA accredited travel agents and a companion of your choice with low round-trip fares for travel on Air Canada, Air Canada Express™*, and Air Canada Rouge™ operated flights. **Please note currently Economy Class Escapes are not available on Air Canada's Premium Economy product.**

ELIGIBILITY AND VALIDITY

With the ECONOMY CLASS ESCAPES program, you can travel with a companion of your choice and up to 2 children under the age of 18 with an additional promotional code. All travel must be completed by end of day **January 31, 2020, unless otherwise specified in the document sent by Agency Sales.**

The ECONOMY CLASS ESCAPES program is offered to IATA & TIDS accredited travel agencies. Travel agents are required to present a valid IATA or ACTA card when travelling within Canada or a valid IATA card when travelling to the U.S. or to international destinations.

- One ECONOMY CLASS ESCAPE promotional code is required for you and your companion.
- Both passengers must be booked on the same PNR and travel all segments together.
- One additional ECONOMY CLASS ESCAPE promotional code can be used to book 2 children under the age of 18 on a separate PNR**.
- An ECONOMY CLASS ESCAPE promotional code can only be used once.

*** to make a separate booking for up to 2 children, please provide your Air Canada Sales Manager with an additional ECONOMY CLASS ESCAPE promotion code before you book your flights. The children's promotion code will then be exchanged with an ECONOMY CLASS ESCAPE Promotion Code that does not require the IATA/ACTA card validation.*

***Air Canada Express: flights operated using the Air Canada owned-banner Air Canada Express, including those operated by Jazz Aviation LP, Sky Regional Airlines Inc, Air Georgian and Exploits Valley Air Services.**

AT THE AIRPORT

Please allow sufficient time for check-in processes and be prepared to check all baggage which would otherwise not meet AC carry-on baggage rules. Review Air Canada's baggage policy at aircanada.com/baggage.

When travelling to the U.S., please provide sufficient time for U.S. Customs and Border Protection formalities when pre-clearance is offered in Canada.

For international travel, you must obtain a valid health visa and proof of citizenship. In the event that you are denied entry into a country, resulting in a cost to Air Canada, the airline shall retain the right to seek redress for any and all costs it incurs. Such occurrence may likely result in the withdrawal, cancellation or suspension of reduced rate travel privileges of the travel agency by which such travel agent is employed.

When children under the age of 18 are travelling with only one parent, several countries, including MEXICO, require a notarized letter of consent signed by both parents. Please ensure you verify travel information every time you travel, as you may get denied entry if you do not have the required travel documentation.

****Any and all terms and conditions listed in this document will take precedence over all terms and conditions at time of purchase on aircanada.com/agents if there is a discrepancy between the two. ****
