(1) This tariff shall apply to carriage of passengers and baggage, and to all services incidental thereto:
   
a) Marketed (carrying an Air Canada flight number) by Air Canada and operated by Air Canada, Air Canada Express, or Air Canada Rouge Carrier; and
   
b) For carriage on flights marketed by Air Canada but operated by another Carrier, unless otherwise stated in this tariff.

(2) Except as otherwise provided below, these general rules are subject to fare rule provisions, local or joint fares, including arbitraries, which are considered to be part of this tariff.

B. Gratuitous carriage

With respect to gratuitous carriage, the Carrier reserves the right to exclude the application of all or any part of this tariff.

C. Air Passenger Protection Regulations (“APPR”)

(1) The obligations of the carrier under APPR form part of this tariff and supersede any incompatible or inconsistent term and condition of carriage set out in the tariff to the extent of such inconsistency or incompatibility, but do not relieve the carrier from applying terms and conditions of carriage of this tariff that are more favorable to the passenger than the obligations set out in the APPR.

(2) For the purposes of APPR, Air Canada, Air Canada Rouge and any airlines operating under the Air Canada Express banner are all considered a large carrier.

D. Change without notice

Except as may be required by applicable laws, government regulations, orders and requirements, the Carrier’s rules, regulations and conditions of carriage are subject to change without notice; provided, that no such change shall apply to a contract of carriage after the carriage has commenced.
E. Effective rules, fares and charges

(1) All carriage of passengers and/or baggage shall be subject to the Carrier’s rules, regulations, and tariffs in effect on the date of commencement of carriage covered by the first flight coupon of the ticket. Where required by local law or regulation, carriage of passengers and/or baggage shall be subject to the Carrier’s rules, regulations, and tariffs in effect on the date of the ticket issuance. Fares and fare rules are filed through ATPCO.

(2) No increase in fares or charges applicable to the carriage of passengers will be collected in the event that an increase in fares or charges occurs between the time of ticket issuance and the effective date of any subsequent tariff containing such an increase provided the confirmed ticketed reservations are not changed and the ticket is not reissued at the passengers request.

F. Percentage of fares or charges

When rules or provisions in this tariff, or tariffs governed hereby, provide for the application of fares and charges based upon percentages of other fares and charges, such proportionate fares and charges will be determined in accordance with the percentage conversion table of this tariff.

a) Within 72 hours after the Carrier becomes aware of the publishing of an erroneous fare, that all or any portion of their ticketed itinerary has been cancelled; or

b) At least 24 hours prior to the customer’s scheduled departure from the point of origin issued on the ticket, that all or any portion of their ticketed itinerary has been
cancelled, if the ticket was purchased less than 72 hours before their scheduled
departure from the point of origin.

(5) With respect to interline itineraries, the carrier will coordinate with other carriers in
order to determine which of the interline carriers will notify the customer and provide
the refund in the event that the customer’s ticketed itinerary is cancelled.
RULE 10 – RESERVATIONS AND SEAT SELECTION

A. General

A ticket will be valid only for flight(s) for which reservation(s) shall have been made, and only between the points named on the ticket or applicable flight coupons. B. Conditions of reservations

(1) A reservation for space on a given flight is valid when the availability and allocation of such space is confirmed by the Carrier or its agent and entered into the Carrier’s reservation system. A validated ticket will be issued to the passenger subject to payment or other satisfactory credit arrangement, provided that all applicable requirements are complied with, including any requirement set out in applicable fare rule, such as ticketing time limits. Reservation of space may be cancelled by the Carrier without notice if these requirements are not complied with, including if ticket is not issued within the ticketing time limit stated in applicable fare rule.

(2) Reservations

Reservations requested from any Carrier or authorized agency will be accepted subject to the ticketing provision of the rule governing the fare used.

C. Seat allocation

(1) The Carrier does not guarantee allocation of any particular space in the aircraft.

Note: The Carrier has a supplemental seating policy (and related procedures) for passengers under the age of 12 travelling with a parent or guardian traveler to ensure that reasonable efforts are made by the Carrier prior to check-in, at time of check-in and by airport and in-flight agents to seat the child next to their parent or guardian traveler, free of charge.

Such efforts include:

a) The possibility of selecting adjoining seats online; Passengers travelling on a Basic or Standard fare can select a non-preferred economy class seat free of charge, subject to availability, at the time of online check-in, which commences 24 hours prior to departure.

b) If unavailable on-line and if requested by customer, check-in agents attempting to locate adjoining seats at check-in;
c) If efforts are unsuccessful at check-in, gate agents attempting to locate adjoining seats at boarding, or if unavailable, requesting volunteers to change seats;

d) If efforts are unsuccessful at boarding, flight attendants requesting volunteers to change seats on-board.

e) Children under age 8 must be accompanied by an adult age 16 or older when travelling. The accompanying adult must occupy a seat in the same cabin and be seated adjacent to the young child.

(2) Preferred or advance seat selection is subject to availability and is available only on flights operated by Air Canada, Air Canada Rouge and certain flights operated by Air Canada Express (depending on aircraft type). Passengers may pre-select a seat, preferred or not, when booking a fare via the web or call center or where offered. A fee per passenger and per segment of travel may apply as shown below:

a) Restrictions

i. Air Canada reserves the right to change passenger seating at any time after booking, in certain circumstances such as schedule irregularity, aircraft substitution, or if the seat is needed to accommodate the needs of a passenger with a disability. The seat fee will then be refunded automatically or upon request, unless passenger is accommodated in an equivalent seat to his/her satisfaction.

ii. Passengers travelling with children under the age of 12 will receive complimentary seat assignment ensuring children are seated adjacent to an adult/guardian travelling with them. Customers may contact Air Canada reservations directly to be seated or review their reservation 36 hours after booking to validate their seat assignments. Customers should always indicate in their booking they are travelling with children.

iii. Exit row seats are only available and offered to passengers 12 years of age and older; who are able to read, understand, and provide oral instructions in English or French; are able to visually assess if it is safe to open the emergency door; are free of any disability, condition, reduction in mobility or responsibility, such as attending to another person, that may prevent them from performing emergency exit functions, and are able to reach and operate the emergency exit and willing to assist in evacuating the aircraft in the event of an emergency. Passengers who attest, at time of booking, that they qualify for sitting in an exit row seat have the obligation of informing Air Canada should any of these qualifications change after booking.

A. Payment in the country of commencement of transportation

(3) When a transportation document issued outside the country of commencement of transportation is tendered for payment (in total or in part), the provisions of paragraph (B) below shall apply.

B. Payment outside the country of commencement of transportation

(1) The amount to be paid shall be determined by converting the total amount to be collected, expressed in the currency of the country of commencement of transportation, into the currency of the country of payment at the applicable bankers’ selling rate of exchange in effect on the date of the transaction.

(2) Payment shall be made either in the currency of the country of payment, or in any currency acceptable to the Carrier, provided that the equivalent of the local currency amount of the country of payment established in accordance with paragraph (B)(1) above is collected at the bankers’ buying rate of exchange in effect on the date of the transaction.

C. Voluntary rerouting

In the event that voluntary rerouting or cancellation results in the reassessment of the fare:

(1) The fare will be reassessed in the currency of the country of commencement of transportation.

(2) The local currency fares to be used will be those applicable at the time of commencement of transportation.

(3) The IATA rate of exchange to be used will be that applicable at the time of original ticket issuance.

D. Refunds
(1) The amount of refund shall be converted using the bankers’ rate applicable on the date of the refund except as provided in (D)(2) below.

F. Rates of exchange

Rates of exchange apply at the date of payment. The bankers’ rates referred to in paragraph (A) through (E) above are defined as follows:

The bankers’ buying rate or bankers’ selling rate means the unit rate published each Friday by TD Canada Trust at http://www.tdCanadatrust.com/fx/rates.jsp.

A. Any tax, fee or other charge imposed by domestic or foreign government, airport authority or third party and collectible from a passenger will be in addition to the applicable fares, ancillary fees and surcharges.

B. Conditions under which taxes, fees and other charges are imposed, collected or refunded are established by the domestic or foreign government, airport authority or third party and must be respected. As a result, refund of unused taxes, fees and other charges will be made only if permitted by the domestic or foreign government, airport authority or third party.
RULE 25 - TICKETS

A. General

(1) A ticket will not be issued and in any case the Carrier will not be obligated to carry until the passenger has paid the applicable fare or has complied with credit arrangements established by the Carrier. Unless otherwise provided, payment for a prepaid ticket advice (PTA) will constitute issuance of a ticket. PTAs sent to another airline for ticket issuance require a 48 hour advance notice for processing.

(2) No person shall be entitled to transportation except upon presentation of a valid ticket. Such ticket shall entitle the passenger to transportation only between points of origin and destination and via the routing designated thereon.

B. Flight coupons will be honored only in the order in which they are issued.

C. Tickets are not transferable but the Carrier is not liable to the owner of a ticket for honoring or refunding such ticket when presented by another person.

D. Compliance with terms and conditions of sale tickets are valid for travel only when used in accordance with all terms and conditions of sale. Flight passes are subject to additional conditions of sale and restrictions. Terms and conditions of sale include but are not limited to:

“Hidden City/Point Beyond Ticketing” – the purchase of a fare from a point before the passenger’s actual origin or to a point beyond the passenger’s actual destination. Accordingly,
passenger shall not purchase one or more tickets or use flight coupons in one or more tickets in order to obtain a lower fare than could otherwise be applicable.

“Stopovers” - Unless otherwise stated in a specific fare rule, stopovers, as defined below, will be permitted. A stopover will occur when a passenger arrives at an intermediate point from which the passenger is not scheduled to depart on the date of arrival. If there is no connecting departure scheduled on the date of arrival, departure on the next day, within 24 hours of arrival, shall not constitute a stopover.

F. Invalidated ticket

(1) A ticket is invalid:
   a) If used for travel to a destination other than that specified on the ticket,
   b) If the passenger fails to comply with applicable stay over requirements,
   c) If, in the context of a ticket obtained through a loyalty program, the passenger does not respect the terms and conditions of the loyalty program contract;
   d) If Air Canada determines that the ticket has been purchased or used in a manner designed to circumvent applicable fare rules.

(2) Where a ticket is not valid as the result of the passenger’s non-compliance with any term or condition of sale, with this rule or applicable fare rule, or where one or more tickets have been issued in furtherance of a prohibited practice, Air Canada has the right in its sole discretion to:
   a) Cancel any remaining portion of the passenger’s itinerary or ticket,
   b) Confiscate or revoke unused flight coupons
   c) Refuse to board the passenger or check-in the passenger or the passenger’s baggage, or

G. Ticket validity

General

The ticket is good for carriage from the airport at the place of departure to the airport at the place of destination via the route shown therein and for the applicable class of service and is valid for the period of time specified or referred to below. (1) **Period of validity**

A ticket will be valid for transportation for one year from the date of issuance of the original ticket.

(2) **Extension of validity**

A non-refundable $50 service fee shall apply. A ticket can only be extended once and the extension must be requested within 30 days prior to the original validity expiry date of the ticket. Completion of travel can exceed 3 months beyond the original validity expiry date, subject to applicable fare rules. Travel must be completed within 1 year from the new departure date.

Exception: The Carrier will not provide in-cabin supervision on beech aircraft, as there is no flight attendant on such aircraft type. Unaccompanied minor service is available only for transportation on non-stop flights operated by Air Canada, Air Canada Rouge and Air Canada Express, and not available for connections or multi-leg itineraries.

(4) Medical conditions

Children with medical conditions may not be accepted for travel as an unaccompanied minor. f) Refund of baggage fees

If your baggage is delayed, damaged or lost, Air Canada will refund the fees you paid to check it in.

g) Canadian and U.S. military

Members of the Canadian and U.S. military benefit from an enhanced baggage allowance whenever they travel on a flight operated by Air Canada, Air Canada rouge or Air Canada Express. Eligible active and retired members of the Canadian and U.S. military are entitled to up to three pieces of checked baggage, each weighing up to 32 kg (70 lb) each.

Please note that the baggage allowance for military personnel does not apply to itineraries which include connecting flights with other airlines (including Star Alliance member airlines). Regular baggage allowance and fees will apply.

h) Infants

Infants on lap (under 2 years old) or children (over 2 years old) occupying a seat are entitled to the regular baggage allowance set out above in RULE 60 – BAGGAGE (A)(1)(d). In addition:

i. One stroller may be checked in at check-in or at the gate during boarding, free of charge; and
ii. A car seat may be checked, free of charge.

iii. A playpen may be substituted for either a car seat or stroller.

i) Rerouting

i. In the case of voluntary rerouting which permits a higher regular baggage allowance, the higher allowance applies only to the remainder of the journey from the point of rerouting. No refund is made for the portion of the journey already performed.

ii. In the case of voluntary rerouting which makes the passenger liable for additional charges because of a lower regular allowance, such additional charges will apply only from the point of rerouting.

iii. In the case of involuntary rerouting, the passenger shall be entitled to the regular baggage allowance applicable for the class of service originally paid for. This provision applies even if the passenger is rerouted from Signature Class/Business Class/Premium Economy/Premium Rouge to Economy Class and is entitled to a fare refund.

(2) Excess baggage

Baggage in excess of the regular baggage allowance set out above in RULE 60 – BAGGAGE (A)(1)d), in number, dimension or weight, will be accepted subject to the conditions set out below, upon payment of applicable fees.

(3) Maximum weight and dimensions

No bag may exceed 70 lbs., 80 in. in length, or 115 in. in total linear dimensions. Such items may be sent via cargo. Any item over 32kg (70 lbs.) will not be accepted and must be sent via Air Canada Cargo. Any item over 292cm (115) in linear dimensions and/or 203cm (80 in) in length will not be accepted and must be sent via Air Canada Cargo.

(4) Applicable fees

For itineraries in Canada:

a) Additional piece fee: $100

b) Oversize fee: $100

(5) Collection of excess baggage charges

a) The fees for additional pieces set out above are in addition to the fees applicable to the 1st or 2nd bag, if any, that are set out in the regular baggage allowance. The fees
for additional pieces apply to pieces above the number of pieces set out in the regular baggage allowance.

b) If a bag is both overweight and oversize, the fee will only be charged once per direction or to the point of stopover. Additional baggage pieces outside the regular baggage allowance set out above are only subject to one excess baggage fee, even if the baggage is also overweight and/or oversize.

c) Excess baggage charges will be payable at the point of origin per direction, or at the point of origin to the point of stopover, in which event, when carriage is resumed charges will be payable from the point of stopover to the next point of stopover or destination.

d) When a journey for which a through excess baggage ticket has been issued there is an increase in the amount of excess baggage carried, the Carrier may issue a separate excess baggage ticket for such increase and collect charges to destination or a stopover point, as the case may be.

e) In delivering baggage at the place of departure or at an intermediate stopping place, or if baggage is lost, the Carrier shall be under no obligation to refund any charge paid.

(6) Exception

Carrier reserves the right to refuse excess baggage, for operational reasons. In addition, during embargo periods applicable to certain routes, the Carrier will not accept baggage that exceeds the regular baggage allowance. Passengers should contact the Carrier or review its website for more information.

(7) Excess value charges

This rule shall not entitle the passenger to declare such excess value for baggage in connection with carriage over the Carrier’s route in relation to which the above rule does not permit such declarations, unless the carriage over such route forms a part of through carriage including other routes in relation to which such declarations are permitted.

(8) Collection of excess value

Excess value charges will be payable at the point of origin per direction; provided that, if at a stopover enroute a passenger declares a higher excess value than that originally declared, additional excess value charges for the increased value from such stopover point to final destination will be payable.

(9) Excess baggage and value charges on re-routing or cancellations

When a passenger is rerouted or his carriage cancelled, the provisions which govern with respect to the payment of additional fares or the refunding of fares shall likewise govern
the payment or the refunding of excess baggage charges and the payment of excess value charges, but no refund of value charges will be made when a portion of the carriage has been completed.

(10) Codeshare

In the case of codeshare, the baggage rules of the first marketing Carrier (Carrier whose code appears on the flight number) may apply, not those of the operating Carrier. If Air Canada is the first marketing Carrier, its rules shall apply.

(11) Check-in, collection and delivery of checked baggage

a) Check-in

Baggage must be checked at the designated off-site check-in facility or airport in advance of flight departure time, as prescribed by the check-in time limits set out in RULE 70 – CHECK-IN AND BOARDING TIME LIMITS.

Except for Skycheck baggage (see RULE 60 – BAGGAGE (B)(4) below), the Carrier shall, upon taking possession of the passenger’s checked baggage, issue a baggage identification tag for each piece of checked baggage, that will be affixed thereto. A portion of this baggage identification tag will be provided to the passenger. Any baggage which passenger intends to take onboard as carry-on baggage and which the Carrier required passenger to surrender at boarding for placement in the cargo compartment will be regarded as checked baggage, except for Skycheck baggage. It is passenger’s sole responsibility to ensure that all checked baggage have passenger’s name or other personal identification affixed to it.

Baggage will not be checked:

i. To a point that is not on the passenger’s routing, as stated in his/her ticket.

ii. Beyond the passenger’s next point of stopover or, if there is no stopover, beyond the final destination designated on the ticket.

iii. Beyond a point at which the passenger wants to reclaim the baggage or any portion thereof.

iv. Beyond the point to which all applicable charges have been paid.

v. Beyond a point at which the passenger is to transfer to a connecting flight if the Carrier is unable to through-check the baggage, or if that flight is scheduled to depart from an airport different from the one at which the passenger is scheduled to arrive.

b) Collection and delivery of baggage
Checked baggage will be delivered to the bearer of the baggage check upon payment of all unpaid sums due to the Carrier under contract of carriage or tariff. Only the passenger for whom a baggage identification tag was issued may take possession of the baggage. Carrier may, but is under no obligation to do so, require satisfactory proof that the baggage belongs to the passenger in question before delivering the baggage to the passenger. Acceptance of the baggage without complaint, within the time limits stipulated in RULE 105 – LIABILITY OF CARRIERS, by the passenger in possession of the baggage identification tag is prima facie evidence that the Carrier delivered the baggage in good condition in accordance with this tariff.

(12) Movement of baggage and delayed baggage

Checked baggage will be carried in the same aircraft as the passenger unless such carriage is deemed impracticable by the Carrier, in which event the Carrier will move the baggage on a space available basis, and the checked baggage may arrive after the passenger’s arrival at destination. Carrier shall make reasonable efforts to deliver baggage to passenger as soon as practicable, unless restrictions apply pursuant applicable law or local requirements, such as the need for presence of passenger for customs clearance. If passenger’s baggage is delayed, the Carrier will provide out-of-town passengers with an over-night kit if required, and will provide information necessary to allow passenger to obtain updates on the status of their baggage.

B. Acceptance of carry-on baggage

(1) General conditions of acceptance

Carry-on baggage must fit within the size limits set out herein, as it must fit under the seat located in front of the passenger or in the enclosed storage compartment in the passenger cabin. Should the carry-on baggage exceed the limits set out herein, the Carrier may require passenger to check baggage, either at check-in or at boarding.

Note: some exceptions may apply to certain mobility aids and other assistive devices. As further detailed in this rule, some items are not suitable for carriage, or are subject to special restrictions and/or fees.

(2) Free baggage allowance

A maximum of 2 pieces of cabin baggage may be carried onto the aircraft by the passenger. One bag must have total overall dimensions not exceeding 9x15.5x21.5 inches (23x40x55 cm) except where the under seat space facility requires a bag of a lesser size. The second bag must have total overall dimensions not exceeding 6x13x17 inches (16x33x43 cm). Carry-on baggage must be stored under the seat in front of the passenger or placed in an enclosed overhead bin.

(3) Musical Instruments
Instruments are accepted as checked baggage, carry-on baggage or cabin-seat baggage – depending on their size and shape – on flights operated by Air Canada, Air Canada Express and Air Canada Rouge flights.

String instruments must have their strings loosened to prevent damage caused by changes in temperature and/or pressure.

a) Instruments that Can Be Brought in the Cabin

Size Restriction

- String instruments (e.g. guitars, violins and violas) can be carried on board – even if their dimensions slightly exceed Air Canada’s carry-on size requirements - as long as they fit in the overhead bin or under the seat in front of the passenger, and there is sufficient space to accommodate the instrument in the cabin at time of boarding. If there is no space available in the cabin to securely store the instrument according to airline staff, the instrument may need to be checked.

Hard Case

- In case they need to be checked, instruments must always be packaged in a rigid/hard shell container designed to transport such items.

Allowance

- Instruments can count as part of a passenger’s carry-on baggage allowance provided they meet the current Air Canada carry-on size requirements of 55 x 40 x 23cm (21.5 x 15.5 x 9in). As such, they can be carried in the cabin as part of, but not in addition to, a passenger’s carry-on baggage allowance.

Priority Boarding

- Passengers traveling with an instrument may take advantage of pre-boarding between zones 2 & 3 if they do not already qualify for priority boarding in zones 1 & 2.

Exception

- The number of instruments that can be accommodated on each flight is limited. Some aircraft have limited onboard storage space, such as on Air Canada Express aircraft (Beech, CRJ 100/200/705, Dash-8/100, Dash-8/300 and Q400), where instruments may need to be checked.

b) Instruments as Checked Baggage

Allowance
If instruments are checked-in, they count as one piece of baggage towards the maximum number of checked bags allowed by fare type. If the passenger’s bag count (instrument plus number of other bags to be checked) exceeds the maximum number of items allowed by fare type, excess checked baggage charges will apply. Baggage restrictions on dimensions and weight applicable to the fare type will apply to the instrument.

Hard Case

If checked, instruments must always be packaged in a rigid/hard shell container designed to transport such items.

c) **Seat-Loaded Instruments**

If a passenger believes that the instrument is too fragile to be handled as checked baggage or if it exceeds requirements for carry-on baggage, an additional seat may be purchased for the instrument, subject to seat availability and size restrictions.

Fee/Fare

- The passenger will receive a **50% discount on the lowest available published fare for the seat-loaded instrument.** Taxes, fees and charges may apply.

Reservation Process

- The additional seat must be booked through Air Canada reservations preferably at the time of booking and at least 48 hours prior to departure.

Allowance

- When a passenger purchases an additional seat for an instrument, Air Canada’s checked baggage allowance applies per purchased seat, but the carry-on baggage allowance applies per passenger.

Maximum Dimensions

- The instrument must not exceed 80 lbs (36 kg) in weight and 162.5 cm (64 in) in length.

Exceptions

- Seat-loaded cabin baggage is not available on Beech aircraft and is subject to seating restrictions on certain aircraft;

- Double basses are not accepted as seat-loaded cabin baggage, but may be checked if they respect baggage restrictions applicable to the fare type;

- The 50% discount does not apply to Aeroplan bookings.

**Conditions for transportation of a seat-loaded instrument**
• Passenger must check-in at least 60 minutes prior to the recommended check-in time. The passenger must be present at boarding time and inform airline staff of their presence at the gate to ensure there is enough time for the tie-down process to be completed;

• The instrument must be secured by a tie down system provided by Air Canada to eliminate shifting of the baggage during normal flight and ground conditions, and packaged or covered in such a manner as to avoid possible discomfort or injury to another passenger;

• The instrument must be secured in a seat next to the owner, except if travelling in a Signature class pod. For passengers travelling in Signature pods, the instrument will be placed in Premium Economy or Economy Class.

• The instrument must not restrict access to, or use of, any required emergency or regular exits or aisle of the cabin nor obscure any passenger’s view of seatbelt, no smoking or exit signs.

d) Passenger Option if Flight Occurs on a Different Aircraft than Expected

If the flight the passenger is booked on occurs on a different aircraft than expected and there is insufficient stowage space for a musical instrument brought in the cabin under the conditions set out at section 3a) or c) above, attempts will be made to place the instrument in the cargo compartment. If there remains insufficient space for the instrument, Air Canada will, at no additional charge, offer to place the passenger on the next available flight that can accommodate the passenger and instrument.

(4) Additional items

In addition to the free baggage allowance for carry-on baggage set out in the previous paragraphs, passengers may bring on-board:

a) Coat or other outer garment;

b) A small purse measuring no more than 25cm x 30cm x 14cm (10in x 12in x 5.5in). Larger purses will be included in the regular fee baggage allowance for carry-on baggage;

c) An infant care item (e.g. diaper bag), if passenger is travelling with an infant;

d) A child restraint device if a seat has been purchased for the child/infant;

e) A mobility aid or other assistive devices for stowage or use within the cabin (e.g. prescription medications or any medical devices needed to administer them such as syringes or auto-injections, vision-enhancing devices, POCS, ventilators and respirators that use non-spillable batteries, as long as they comply with applicable safety, security and hazardous materials rules). It is recommended and sometimes required that passengers contact the Carrier prior to departure to make
arrangements (in particular, but not limited to, for situations where any such aid or device exceeds the maximum weight or dimensions mentioned above). See RULE 40 – PASSENGERS WITH A DISABILITY for more information, or contact the Carrier;

f) A small electronic device such as cell phone or mp3 player, but not electronic devices that can interfere with aircraft navigational and/or communication equipment. Transmitting and receiving functions must be turned off while on board. Passengers should contact the Carrier or review its website for more information on these items.

(5) Skycheck Baggage

Skycheck baggage is a baggage service offered on certain Air Canada Express aircraft only (Beech, CRJ 100/200/705, Dash-8/100, Dash-8/300 and Q400) where onboard storage space is limited and carry-on baggage may not be accommodated. Customers are advised to drop their carry-on baggage at the aircraft door (if aircraft is parked at a gate) or at the special cart (next to aircraft stairs) for ramp boarding. Upon arrival, Skycheck baggage is immediately removed from the aircraft and returned to customers as they disembark. This service is provided for carry-on baggage only. Items that do not conform to the carry-on dimensions and weights must be checked-in.

C. Prohibited or unacceptable items

(1) General

Passengers should contact the Carrier or review its website for more information on these items. Certain items will be carried only under certain restrictions or special packaging conditions (see “special items”, below). Notwithstanding any tariff provision to the contrary, as a general rule, passenger must not include in checked or carry-on baggage items which:

a) Are likely to endanger the aircraft, persons or property; or

b) Are likely to be damaged by air carriage; or

c) Are unsuitably or inadequately packed, if included in checked baggage; or

By their particular nature (fragile, perishable, valuable or otherwise) the Carrier does not, or would not, if discovered, agree to carry; or

unless otherwise stated herein, dangerous goods, explosives, ammunitions, corrosives and articles, which are easily ignited, including all items, listed in the U.S. D.O.T. hazardous materials regulations (49 CFR 100-185); the International Civil Aviation Organization technical instructions for the safe transport of dangerous goods by air and/or the IATA dangerous goods regulations; or

Carrier does not accept in checked baggage or when otherwise places in the care of the Carrier, money, jewellery, silverware, negotiable papers, securities, computers, televisions and other electronic equipment, cameras, cellular phones, business documents, samples, painting, antiques, artifacts, manuscripts, irreplaceable books or publications, prescription drugs, or any other valuable or item whose loss may cause serious damage. RULE 61 – INTERLINE BAGGAGE ACCEPTANCE

Definitions

“Interline Agreement” means an agreement between two or more Carriers to co-ordinate the transportation of passengers and their baggage from the flight of one Carrier to the flight of another Carrier (through to the next point of stopover).

“Interlining Carrier(s)” includes both the selecting Carrier and other Carriers who have been identified as providing interline transportation to the passenger by virtue of the passenger’s ticket.

“Interline Itinerary” means all flights reflected on a single ticket involving multiple air Carriers (“interlining Carriers”).

“Selected Carrier” means the Carrier whose baggage rules apply to the entire interline itinerary.

“Selecting Carrier” means the Carrier whose designator code is identified on the first flight segment of the passenger’s ticket at the beginning of an interline itinerary issued on a single ticket whose origin or ultimate destination is in Canada.

“Summary Page at the End of an Online Purchase” means a page on a Carrier’s website which summarizes the details of a ticket purchase transaction just after the passenger has agreed to purchase the ticket from the Carrier.

A. Baggage rule determination by Selecting Carrier

Checked baggage

The Selecting Carrier will decide which baggage rule to apply to the entire itinerary.

(1) When Air Canada is Selecting Carrier, its own baggage rules as set out in RULE 60 – BAGGAGE shall apply to the entire interline itinerary.

(2) When Air Canada is not Selecting Carrier, the Selecting Carrier shall select and apply its own baggage rules as set out in its tariff to the entire interline itinerary.

Carry-on baggage

Each operating Carrier’s carry-on baggage allowances will apply to each flight segment in an interline itinerary. However, carry-on baggage charges applicable to the entire interline itinerary, if any, will be those of the Selected Carrier.

B. Baggage rule application by interlining Carrier
Where Air Canada is not the Selected Carrier on an interline itinerary but is an Interlining Carrier that is providing transportation to the passenger based on the ticket issued, Air Canada will accept and apply as its own the baggage rules of the Selected Carrier throughout the interline itinerary.

C. Disclosure of baggage rules

For baggage rules provisions related to a passenger’s 1st and 2nd checked bag and the passenger’s carry-on baggage (i.e., the passenger’s “standard” baggage allowance), when Air Canada sells and issues a ticket for an interline itinerary, it will disclose to the passenger on any summary page at the end of an online purchase and on the passenger’s itinerary/receipt and e-ticket at the time of ticketing the baggage information relevant to the passenger itinerary. The disclosed information will reflect the baggage rules of the Selected Carrier.

In addition, the Carrier reserves the right to hold, photocopy or otherwise image reproduce a travel document presented by any passenger and accepted as a condition of boarding.

RULE 80 – SCHEDULE IRREGULARITIES

A. General

(1) Schedules not guaranteed

Times and aircraft type shown in timetables or elsewhere are approximate and not guaranteed, and form no part of the contract of carriage. Schedules are subject to change without notice. No employee, agent or representative of the Carrier is authorized to bind the Carrier by any statements or representation as to the dates or times of departure or arrival, or of the operation of any flight. It is always recommended that the passenger ascertain the flight’s status and departure time either by registering for updates on their electronic device, via the Carrier’s website or by referring to airport terminal displays.

(2) Carrier not responsible

Carrier assumes no responsibility for passenger making connections not included as part of the itinerary set out in the ticket. The Carrier is not responsible for changes, errors or omissions either in timetables or other representations of schedules. The Carrier will not guarantee and will not be held liable for cancellations or changes to flight times that appear on passengers’ tickets due to force majeure, including labour disruptions or strikes.

However, where applicable, a passenger may invoke the provisions of the Convention regarding liability in the case of delay.

(3) Best efforts

Carrier undertakes to use its best efforts to carry the passenger and baggage with reasonable dispatch, but no particular time is fixed for the commencement or completion of carriage. Subject thereto the Carrier may, without notice, substitute alternate Carriers or aircraft and may alter the route, add stopovers or omit the stopping places shown on the face of the ticket in case of necessity.

B. Operating Carrier to arrange alternate transportation

The Carrier operating the flight that is experiencing the schedule irregularity will make alternative transportation arrangements for the passenger.

C. Schedule irregularity

(1) Definition

Schedule irregularity means any of the following:

d) If the passenger chooses to no longer travel or if the Carrier is unable to perform the option stated in (a) (b) or (c) above within a reasonable amount time, make involuntary refund or general refund as applicable in accordance with RULE 100 – REFUNDS (an exception to the applicability of a refund occurs where the passenger was notified of the schedule irregularity prior to the day of departure and the schedule irregularity is of 60 minutes or less) or,

e) Upon request, for cancellations within the Carrier’s control, return passenger to point of origin and refund in accordance with RULE 100 – REFUNDS as if no portion
of the trip had been made (irrespective of applicable fare rules), or subject to passenger’s agreement, offer a travel voucher for future travel in the same amount; or, upon passenger request.

f) For cancellations within the Carrier’s control, if passenger provides credible verbal assurance to the Carrier of certain circumstances that require his/her arrival at destination earlier than options set out in subparagraph (a) above, or, for On My Way customers, for cancellations within or outside the Carrier’s control, Air Canada will, if it is reasonable to do so, taking all circumstances known to it into account, and subject to availability, buy passenger a seat on another carrier whose flight is schedule to arrive appreciably earlier than the options proposed in a), b), c) or d) above. Nothing in the above shall limit or reduce the passenger’s right, if any, to claim damages, if any, under the applicable Convention, or under the law when neither convention applies.

Note: additional services are provided to On My Way customers, as detailed below in RULE 80 – SCHEDULE IRREGULARITIES (E):

(4) Except as otherwise provided in applicable local law, in addition to the provisions of this rule, in case of scheduled irregularity within its control (and outside its control, for On My Way customers) Air Canada will offer:

Passengers who choose to disembark during a tarmac delay are deemed to no longer want to travel on the flight in question and Air Canada will apply Rule 80(C)(3) regarding rerouting and/or refunds.

d) Exception

This section does not apply if compliance is not possible, including for reasons related to situations outside carrier’s control, such as safety and security, or air traffic or customs control.

D. Free baggage allowance

An involuntarily rerouted passenger shall be entitled to retain the free baggage allowance applicable for the type of service originally paid for. This provision shall apply even though the passenger may be transferred from one fare brand to another.

All such services are subject to, and passenger must meet, the terms, conditions and other requirements imposed by these third-party suppliers (e.g., qualifications for car rental). Air Canada is not liable for failure by passenger to meet these terms, conditions and requirements. The liability of such service providers may, in turn, be limited by their tariffs, conditions of carriage as well as international conventions and arrangements. Conditions of carriage apply to flights bound to and from passenger’s destination, some of which limit or exclude liability.
RULE 85 – VOLUNTARY CHANGES AND REROUTING

A. When change can be made at the passenger’s request and subject to payment of any fee set out in applicable fare rule, the Carrier will effect a change in the routing (other than the point of origin), destination Carrier(s), class of service, flight coupon(s), travel dates, or will cancel a reservation provided that such Carrier issued the ticket.

B. Penalties (category 16)

(1) Routing

Unless further restricted in the specific fare rule, travel must be via the routing and/or mileage provisions that are specified for the fare. If there is more than one routing at the same fare, the passenger may specify the routing prior to issuance of the ticket. If any portion of the ticket is left on an “open” basis, the passenger may specify any of the optional routings, otherwise the Carrier will determine the routing.

(2) Rerouting

Rerouting will require a ticket to be either revalidated (change to the flight number and/or travel date) or reissued (change to the destination, connection or stopover point(s)).

a) Voluntary rerouting

As used herein, “Voluntary Rerouting” shall refer to any changes in reservations of confirmed flights requested by a passenger. Unless otherwise stated in a specific fare rule, the following conditions will apply:

i. In the case of fares which have advance reservations restrictions, voluntary rerouting will be permitted, without penalty, prior to the advance ticketing deadline. Where a restriction is placed on voluntary rerouting, such restriction will apply only after the ticketing deadline has passed.

ii. If there is a penalty for rerouting, reservations for the revised itinerary will only be confirmed prior to the advance ticketing deadline.

iii. If voluntary rerouting is not permitted in the specific fare rule, the cancellation provisions (outlined in category 16 of the specific fare rule) shall apply whenever a passenger voluntarily changes confirmed reservations.

b) Involuntary rerouting

Normal involuntary rerouting procedures (see RULE 85 – VOLUNTARY CHANGES AND REROUTING paragraph (B) in this tariff) shall apply unless specifically stated in the applicable fare rule.
(3) Cancellation prior to commencement of travel

a) Unless otherwise amended by specific provisions in the applicable fare rule, the provisions of RULE 100 – REFUNDS, in this tariff, shall apply.

b) Unless otherwise stated in the specific fare rule, in the case of fares which have advance payment/ticketing requirements, the specified cancellation penalty will apply only after the advance payment/ticketing deadline has passed.

c) If a passenger fails to use the confirmed flights indicated on the ticket, all flight coupons remaining in the ticket will become void for further transportation at the ticketed fare. The applicable cancellation penalty will be applied before any refund will be processed.

(4) Cancellation after commencement of travel

a) Unless otherwise amended by specific provisions in the applicable fare rule, the provisions of RULE 100 – REFUNDS, shall apply.

b) When a fare has a specified cancellation penalty and a passenger fails to use the confirmed flight(s) indicated on the ticket, all flight coupons still remaining in the ticket will become void for further transportation at the ticketed fare. The original fare paid by the passenger will be applied toward the purchase of any fare(s) that may be retroactively applied to the sector(s) flown by the passenger. The cancellation penalty will be deducted from any refundable amount.

(5) At any time cancellation penalties may be applied toward the purchase of a higher Air Canada fare governed by a different rule from that originally ticketed; providing that any ticket(s) issued for revised itineraries are annotated “non-ref (amount of cancellation penalty)”.

C. Method of effecting change

c) after carriage has commenced a round trip ticket can be converted into a circle trip ticket, or vice versa provided that request is made prior to the passenger’s arrival at the destination named on the original ticket or miscellaneous charges order.

(2) Any difference between the fare, taxes, fees, charges and surcharges applicable under subparagraph (a) above, and the fare, taxes, fees, charges and surcharges paid by the passenger will be collected from the passenger by the Carrier accomplishing the rerouting, who will also refund any amount per refund RULE 100 – REFUNDS.

The passenger may not receive compensation under APPR if they have already received compensation under another passenger rights regime for the same event.

Adjustment

5) If the passenger’s flight reserved as part of alternate travel arrangements arrives before or after the expected arrival time, and the amount that was paid or confirmed no longer reflects the amount due in function of the actual delay at destination, Air Canada will adjust the amount of the compensation accordingly.

No Expiry

6) Travel vouchers issued as compensation for denied boarding do not expire. If a passenger does not use a travel voucher within one year from the date of issue, the passenger may have to contact Air Canada to reactivate the travel voucher.

No action shall be maintained for any injury to or for the death of any passenger unless notice
of the claim is presented in writing to the general offices of the Carrier alleged to be responsible

unless the action is commenced within 1 year after such alleged occurrence.

B. Other-time limitations

No action shall be maintained for any loss of, or any damage to, or any delay in the delivery of,
any property or baggage, or on any other claim (excepting only personal injury or death), arising
out of or in connection with transportation of, or failure to transport any passenger or property
or baggage unless notice of the claim is presented in writing to an office of the Carrier
participating in this rule alleged to be responsible therefore forthwith and, at the latest, within
7 days from the date of receipt in the case of damage and within 21 days after the alleged
occurrence of the events giving rise to the claim, and unless the action is commenced within 2
years after such alleged occurrence, but failure to give the above notice shall not be a bar if the
claimant established to the satisfaction of the Carrier that he was unable to give such notice.

C. Preliminary notice

In the case of allegedly missing, delayed or damaged baggage the provisions in (b) shall apply,
except that preliminary notice of loss, delay or damage must be submitted to the Carrier, in
writing, after the arrival of the flight on which the loss, delay or damage is alleged to have
occurred, and prior to the passenger’s leaving the airport. Receipt by the person entitled to
delivery of checked baggage without such a preliminary notice within the time aforesaid is

D. Overcharges

In addition to the requirements in paragraph (b) above, no claims for overcharge shall be valid
and no action shall be maintained thereon more than two years after the date of sale of the ticket,
unless such claim or action is accompanied by the passenger coupon portion of said ticket.

E. Carrier shall not be liable for punitive or exemplary damages or for any damages with
no sufficient causal link arising from or connected in any way with any act or omission
by the Carrier, its employees or agents, whether or not such act or omission was
negligent and whether or not the Carrier had knowledge that such damages might be
incurred.

F. Where the Carrier would otherwise be liable in respect of the death or injury of a
passenger carried for hire sustained during the operations of flight embarkation or
disembarkation or at any time while the passenger is aboard the aircraft, the Carrier shall
comply with passenger liability insurance and security provisions contained in the Air
Transportation Regulations, SOR/88-58, as applicable, provided that this provision shall not apply in respect of any passenger whose condition is such as to involve an unusual risk or hazard in regard to loss or damage which would not have been sustained but for the age or mental or physical condition of such passenger including in the case of a pregnant passenger any injury, illness or disability sustained by an unborn child.

G. Limitations of liability

The acceptance for transportation by the Carrier of a passenger whose status, age, or mental or physical condition is such as to involve any unusual hazard or risk to himself, or, in the case of a pregnant passenger, to any unborn child (whether or not the Carrier has knowledge of such status, age, or mental or physical condition) shall be only upon the condition (a) that the Carrier shall not be liable for any loss or damage arising out of an injury, illness or disability (or any aggravation or consequence thereof, including death) sustained by the passenger, if such loss or damage would not have been sustained but for such status, age, or mental or physical condition; and further (b) that, in the case of a pregnant passenger, the Carrier shall not be liable for loss or damage arising out of any injury, illness or disability (or any aggravation or consequence thereof, including death) sustained by an unborn child.

(3) In case of damaged or delayed wheelchairs, walkers, crutches, scooters and other mobility aids if a damaged aid can be repaired, the Carrier will arrange, at its expense, for the prompt and adequate repair of the aid and for its return to the passenger as soon

a) Carrier is not liable for any death, injury, delay, loss, or other damage of whatsoever nature (hereinafter in this tariff collectively referred to as “damage”) to passengers or unchecked baggage arising out of or in connection with carriage or other services performed by the Carrier incidental thereto, unless such damage is caused by the negligence of the Carrier.

This exclusion is applicable whether the non-acceptable property is included in the passenger's checked baggage with or without knowledge of the Carrier.

(5) Liability of the Carrier for damages shall be limited to occurrences on its own line, except in the case of checked baggage as to which the passenger also has a right of action against the first or last Carrier.

M. Claims made regarding delays, cancellations or denied boarding

(1) Passengers must submit claims made regarding delays, cancellations or denied boarding directly to the Carrier and allow the Carrier 30 days or such time as prescribed by applicable law (whichever is the shorter time period) to respond directly to them before engaging third parties to claim on their behalf.

(2) The Carrier will not process claims submitted by a third party if the passenger concerned has not submitted the claim directly to the Carrier and allowed the Carrier time to respond, in accordance with the above.
