

Airport Improvement Fee (AIF) and Airport Improvement Fee Deposit (AIFD): Canadian Airports

Many airports in Canada have implemented Airport Improvement Fees (AIFs). The AIFs are collected at time of ticketing and are reflected in the additional charges portion of your fare.

Effective December 1, 2025, the Airport Improvement Fee Deposit (AIFD) replaces the AIF at certain Canadian airports.

For your reference, Canadian airports that include the AIF or AIFD on your ticket are listed in the table below. All amounts are as of December 1, 2025 and in CAD dollars.

Note: AIF and AIFD are subject to change
