

Air Canada Embarq™

A simpler way to manage business travel

Why not bring booking, tracking and rewards together?

Air Canada Embarq™ streamlines processes, so you can easily manage business travel with Air Canada. It's designed to make the process easier for managers and rewarding for employees.

Built to make adoption easy

Air Canada Embarq provides more value and visibility without adding unnecessary barriers.

Teams can easily access:

- Tools to manage and assign roles
- A consolidated space where all travel is tracked
- Discounts on eligible bookings

Plus, there's no cost to enrol and no minimum spend.

More rewarding for travellers

With Air Canada Embarq™, employees benefit too.

Travellers earn 50% more Aeroplan® points on all eligible bookings, and they enjoy an intuitive booking experience on aircanada.com.
