YYZ Global Hub
AT A GLANCE:

For every 100 kilos

11 originate in Toronto

23 arrive in Toronto as a final destination

66 are transiting through Toronto to another city in our network

One of the fastest growing cargo carriers in the world. We've also **outperformed our competitors in the last 25 of 27 months** in terms of growth.

ABOUT 20%
of the freight we carry is perishable, including the fruits and vegetables you find at the grocery store year-round.
