

# Aeroplan eStore

## Terms and Conditions

- Unless otherwise specified on the Aeroplan eStore, one Aeroplan Mile will be awarded for each Canadian dollar spent for all qualifying transactions from participating third party merchants, excluding taxes, shipping fees, custom duties or any other type of surcharge.
- Aeroplan Miles are only awarded for purchases initiated through [www.aeroplan.com/estore](http://www.aeroplan.com/estore). No miles will be awarded for transactions that you initiate directly with any merchant. Also, no miles will be awarded based on merchant restrictions and the award of miles cannot be combined with any other offer, promotion or coupons. For example, no miles will be awarded if a promotion code is used with a participating third party merchant.
- To receive Aeroplan Miles, you must be logged into [www.aeroplan.com/estore](http://www.aeroplan.com/estore) with your valid Aeroplan number, use only valid links to enter a participating third party merchant's website, and complete the transaction within the same session.
- No Aeroplan Miles will be awarded for purchases that may be made through a third party retailer or other merchant that may be linked to a participating third party merchant's website.
- Aeroplan Miles will be credited within 6 to 8 weeks of the shipping date. Aeroplan is not responsible for any delay in the crediting of miles to your Aeroplan account.
- Aeroplan reserves the right to reverse any mileage credited to your account for any valid reason, including:
  - return of goods or the cancellation of services; and
  - attempt to commit fraud.
- Aeroplan is not responsible for any changes or discontinuance by any participating third party merchants of any of their products, services, or offers.
- Aeroplan reserves the right to change participating third party merchants or modify the mileage offers at any time without notice.
- You acknowledge that when logged into [www.aeroplan.com/estore](http://www.aeroplan.com/estore) and navigating the eStore website, information on your activity through the use of navigation links may be used to enhance your user experience and credit miles for purchases made at participating third party merchants.
- Access to the Aeroplan eStore (the "Site") is limited to individuals located within Canada at the moment the Site is accessed and who are thirteen years old or older.
